EDUCATION

Islamic International School and College Haripur

June 2018 - June 2020

Pre- Engineering

Abbottabad University and science and Technology

Jan 2021 - Jan 2025

BS Software Engineering

SKILLS SUMMARY

- **Language:** English, Urdu
- **Tools & Platforms:** React.js, Express.js, Nest.js, MongoDB, Git, React-Native, Django, SQL, Tailwind CSS, ShadCN
- **Soft Skills:** Problem-solving, teamwork, communication, adaptability

WORK EXPERIENCE

React Developer Intern | Pixelabs

Sep 2023 - Nov 2023

- developed responsive user interfaces using React and Tailwind CSS.
- Collaborated with the design team to translate Figma designs into functional components.
- Implemented state management and API integration to enhance the user experience.

Backend Developer Intern | Codematics

Jan 2024 - April 2024

- Built and maintained backend services using Node.js and Express.
- Developed RESTful APIs to support frontend functionalities.

Software Engineer | Firnas.tech

May 2024 - Present

- Built and optimized full-stack applications using **React.js** and **Nest.js**, focusing on performance and scalability.
- Worked on backend development using **Django** to build efficient and secure APIs for various projects.

PROJECTS

• FYP Administration System

Developed a system to manage final year projects using React, Node.js, Express, and MongoDB.

• 4 Rays - Casino SaaS Platform

Developed a scalable casino SaaS platform using Nest.js to deliver secure backend services.

• S4 App - A security personnel recruitment platform

Developed the backend for a security personnel recruitment app using **Nest.js**, enabling seamless integration with the Flutter frontend.

• Live Longer - A blood donation app

Developed a health-focused mobile app using **React Native** for the frontend and **Firebase** for the backend, ensuring real-time data synchronization and user authentication.

- **Pharmazone - A Pharma marketplace**

Built a medicine marketplace app using **React Native** for the frontend and **Firebase** for the backend, enabling real-time inventory management and user-friendly purchase flows.

- **Additional Projects**

Completed several smaller projects, showcasing a range of skills in web development.

CERTIFICATES

Lead Web Developer | AUST Web Development Team

Backend Developer | Uraan Codematics

Microsoft Learn Student Ambassador (MLSA) | Web Development

React Developer | PIXELABS

High Achiever Shield | AUST

Freelancing Veteran Certificate | AUST
